

## Webmasters Report 2023

- **Updated our web site to use a new form of menu and navigation code.**
- **Significantly reduced the size of most files.**
- **Allows for a much simpler method of changing the common sections of all pages by changing only one control file.**

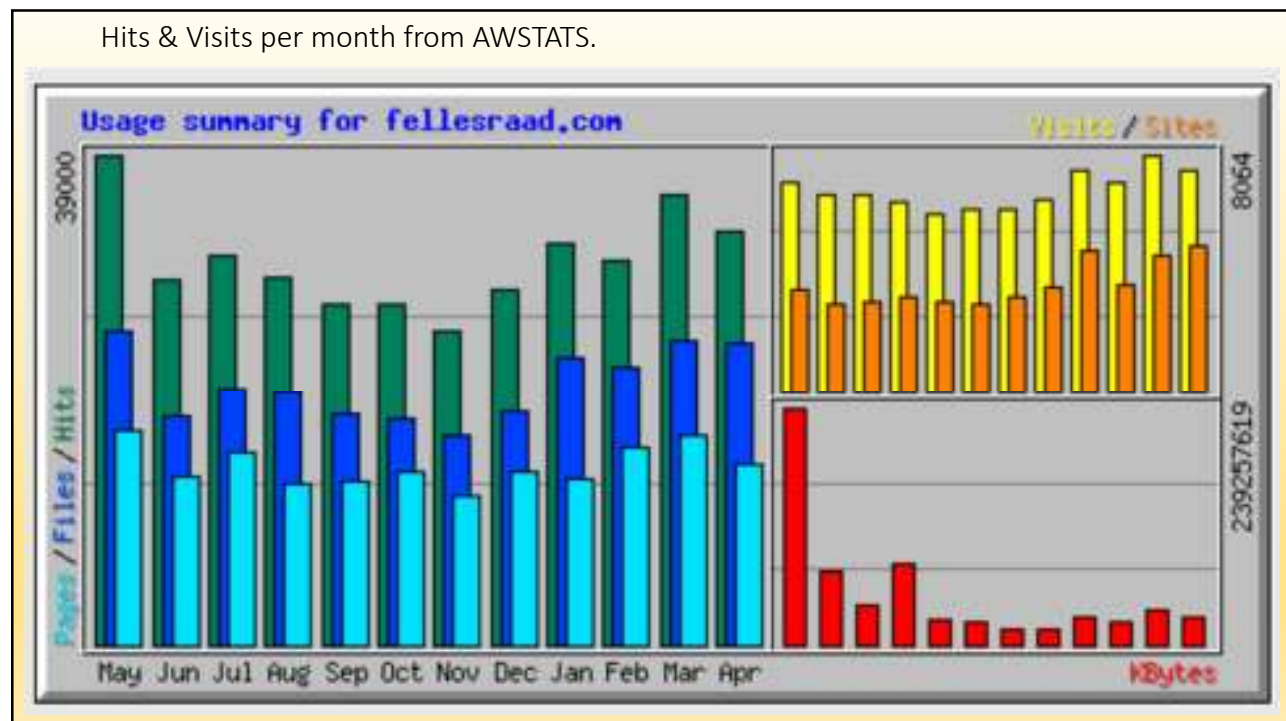

1

- **Planning to move our site from http: to https: with the addition of an SSL certificate.**
- **Gives users a better feeling about viewing our site and makes it more secure.**
- **We do not collect information on users.**
- **May aid in fixing some Email problems.**

2

- **Last year we averaged over 26,000 hits per month.**
- **Over 6,000 web pages viewed per month!**
- **Surprisingly, the time of day has little effect with 3pm being the busiest hour.**

3

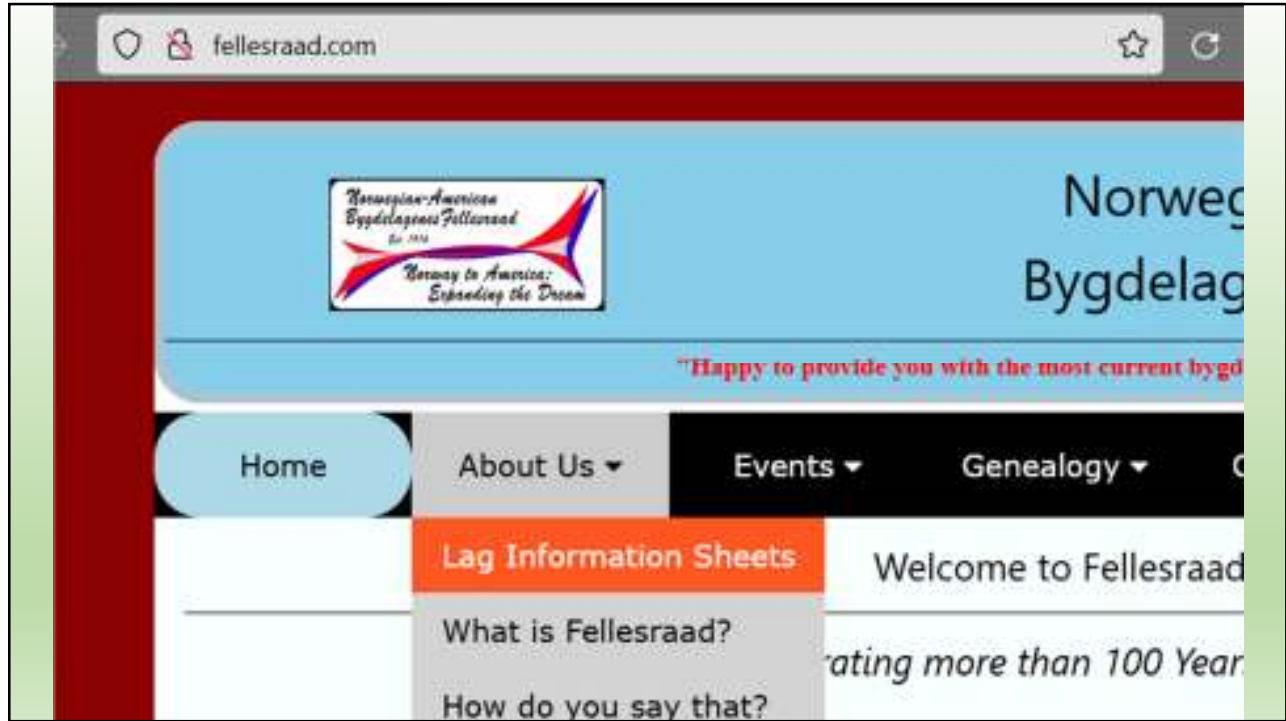

4

- **Please continue to monitor your information on the Fellesraad Lag-Information Sheets.**
- **Always have your most current information available there.**
- **Your website & FaceBook page is listed there.**
- **As noted, you are being watched!**
- **Report any changes to me so I can enter them. (Details please!)**

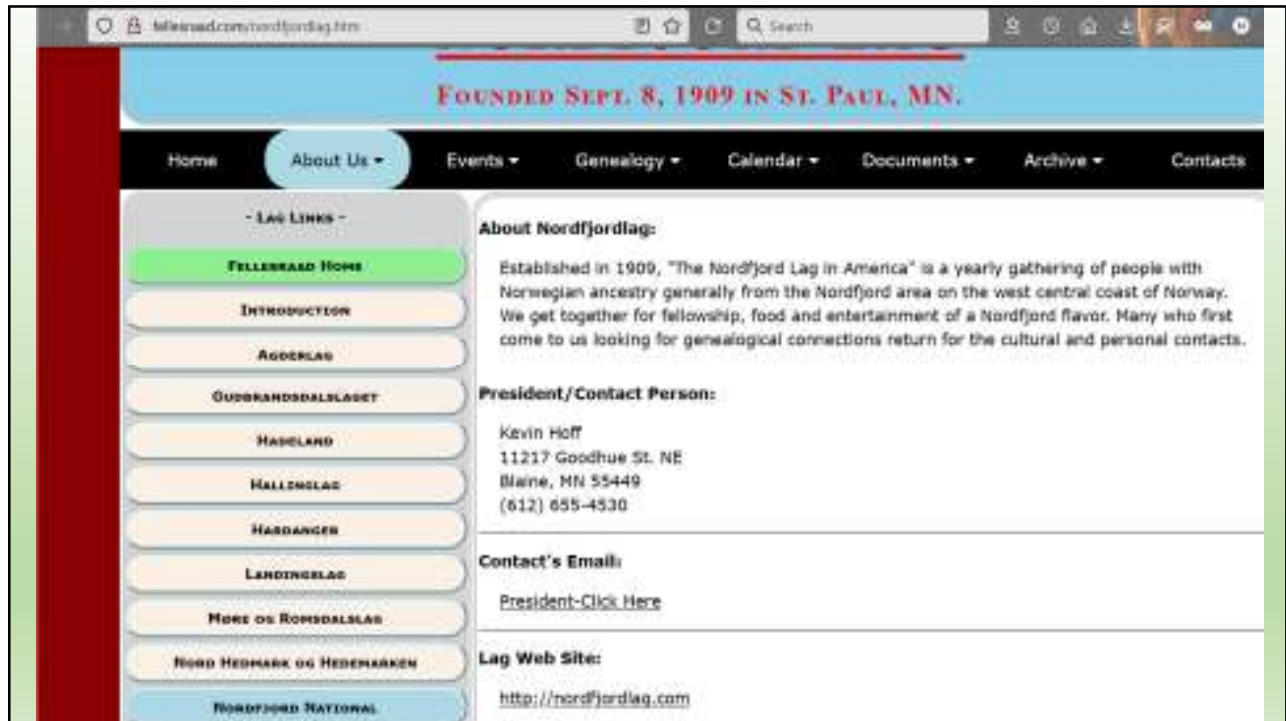

5

- **Verify your data on the latest copy of ["Explore Your Norwegian Roots"](#)**
- **Found on the Documents Tab of our site.**
- **We continue to publish this flyer.**
- **Distributed to Libraries, Norwegian organizations, local Events, and Lags.**

6

7

8

- **Fellesraad has purchased a copy of “Zoom Pro” for a 3<sup>rd</sup> year.**
- **Allows us to run meetings with up to 100 participants for as long as 24 hours per session.**
- **All our Officers' meetings were held on Zoom.**
- **Provides efficient, meaningful participation in meetings without the costs and concerns of travel or weather for our members.**

9

- **No internet? Connect by phone.**
- **Lag meetings have utilized our copy.**
- **If your Lag would like to use our Zoom copy, please contact me about scheduling time.**
- **I will setup your connection and assign a Host from your group to run your meeting.**
